The Democratic Socialists of America is the largest socialist organization in the United States. We believe that working people should run both the economy and society democratically to meet human needs. We are not a party but a political and activist organization; through community-based chapters, DSA members use a variety of tactics, from legislative to direct action, to fight for reforms that empower working people.

Local Work

- Medicare for All
- Mutual Aid Programs
- Outreach & Education

National Campaigns

- Medicare for All
